La Famiglia Scholarship Program Application - 2023

The La Famiglia Scholarship Program provides financial support for educational purposes to Little Italy Lodge members, spouses of a member, children, grandchildren, stepchildren or step grandchildren or wards of a member (designated as legal guardian). **The Lodge member applying for or sponsoring an applicant for a scholarship must have been a member in good standing as of May 1, 2022.**

The Program provides financial support to graduating high school seniors planning to continue their education on a full-time basis at an accredited two-or four-year college or university and to students who are currently enrolled full-time (at least 12 college credits per semester or a lesser course load as prescribed by The Americans with Disabilities Act). Scholarships are only offered for undergraduate studies. Each year, the Program will establish the number and amounts of awards to be made. All applicants may reapply in future years but a maximum of four awards can be made to the same individual.

Application Requirements and Evaluation Procedures

1. Completed packets with all required information must be in the hands of the Program's **DESIGNATED RECIPIENT** no later than May 1, 2023, to be considered.
2. Applications are available below and when COVID permits, at the Lodge Hall. Applications can also be downloaded from the Foundation's website (littleitalyfoundation.org), or from its Facebook page (www.facebook.com/sonsoflittleitaly). **Applicants may submit the scholarship application electronically or manually to the DESIGNATED RECIPIENT.**
3. The application evaluation scoring procedures consist of three ratings obtained by consideration of 1.) the applicant's academic achievement (Transcripts), 2.) the expected family contribution toward the cost of education, and 3.) the quality of an essay provided by the applicant. All applicants will be notified in writing by June 30, 2023 of the Program's decisions. All award payments will be sent directly to the educational institution and may be applied only to tuition, fees, and on-campus room and board for the 2023-2024 academic year.

La Famiglia Scholarship Program Application Packet

This packet contains the forms needed for application to the La Famiglia Scholarship Program. The following requirements and instructions are to be complied with:

3. Submit with your application a copy of the applicable portion of the Student Aid Report (SAR) obtained from filing the FAFSA (Free Application for Federal Student Aid) report with the U. S. Department of Education. Procedure for Applying for a Scholarship

1. The applicant must complete the *approved application packet*.
2. The application packet must be received *no later than May 1, 2023*.
3. High school or college/university transcripts covering the most recent **past three semesters** must be forwarded directly to the **DESIGNATED RECIPIENT** from the respective school(s). **Transcripts provided personally by the applicant will not be accepted and a minimum of three semesters of the latest high school or college transcripts must be submitted.**
4. The applicant must write an essay, **between 750 and 1000 words**, addressing this year's topic: *“With each generation, elements of our traditional Italian heritage tend to fade due to neglect, heritage blending and other changes. Based on your experience, which two traditions reflecting our heritage do you believe are most important to preserve and pass onto the next generation, why do you think these two are especially important and how do you plan to ensure that they are preserved?”*

The Essay Evaluators will judge each essay on (a) the basis of the author's ability to logically develop his or her rationale for the response, with appropriate examples and support, (b) the logical organization of his or her arguments and other support for the position taken, (c) the quality and accuracy of the writing style, including word usage, syntax, spelling, grammar and, as appropriate, citations, and (d) overall readability and audience engagement. The 1000-word limit will be strictly enforced.
